## My skills

### Graphic Editing

Photoshop

Illustrator

InDesign

Canva

Lightroom

### Video Editing

Premiere Pro

Final Cut Pro

DaVinci Resolve

iMovie

### Other

DSLR

Communication

Leadership

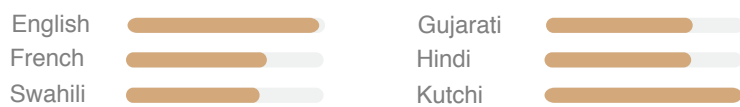

Organization

## Portfolio

## About Me

Born in India and raised in Tanzania, I consider myself a third cultured individual. Living so far away from my Culture has allowed me to develop open mindfulness and allowed to grab onto opportunities much earlier in life. I have always had an interest for technology and now pursuing it as a career is truly rewarding.

## Work experience

- 2017 - 2020**  
**President of Student Tech Team**  
International School of Tanganyika  
The IST tech team is a recognized body which aimed towards supporting, inspiring and educating the IST community in the field of Technology.  
As President, I made executive decisions at several events such as TEDx, GISS, School Graduations and Varsity level sporting tournaments.
- 2016 - 2017**  
**Senior Video/Graphics Editor**  
Worked on several Post Production gigs for events happening at school. From graphic editing to visual effects, we tried different editing methods to create interesting video pieces.
- 2014 - Present** *Part Time, Family Run*  
**Chief Technical Officer**  
*Udeshi Holdings*  
As a CTO, I get to help with developing marketing and business strategies with technical implementation. Over the course of the last few years, I have developed a CRMS, a Server Stack running 8 different OS, and several animations aimed at advertising the company during celebrations and holidays, such as new year.

## Feature Events and Production Houses

2018, 2019 And 2020\*

Dar Es Salaam, Tanzania  
\*In Person Canceled due to COVID
